Remote Handset Lifter showing mic for optional use

The Spracht Remote Handset Lifter, RHL-2010, will work with the ZuM DECT Headset™ and virtually all phones with a handset with RJ11 jacks. The Remote Handset Lifter fits on your telephone, and has been optimized for use with our wireless ZuM DECT Headset™. It lets you answer and end calls when you are away from your desk with the touch of an On/Off button on the headset. The handset lifter is easy to install and comes with attachment pads to attach it to your phone.

Features of RHL-2010 Include:

- Lifter Cord.
- Adjustable support bar.
- Lifter Arm.
- Ring detection sensor.
- Ring detection sound level adjustment switch.
- Lifting height adjustment lever.
